

**Radio Ad:**

"Hello citizens of Kossuth County. My name is Amber Garman and I am your current Kossuth County Auditor. I began my 26 year journey in the Auditor's office in 1994 as a clerk, until 2008 when I decided to run for county Auditor. After being elected in 2008, I have served with integrity, passion, commitment, and professionalism. Being a lifelong resident of this great county, I have had the opportunity to grow relationships with many citizens through my love and respect for everyone's concerns and questions. Experience and loyalty does matter when it comes to this position. I would really appreciate your vote to continue serving as your auditor. Remember, Re-Elect Amber Garman for Kossuth County Auditor, the one YOU can count on. Thank you."

Re-Election Social Media Announcement:

I am excited to announce my campaign for Re-Election for Kossuth County Auditor! I began my career in the Auditor's Office in 1994. I served as a Clerk for 14 years before being elected as your Kossuth County Auditor in 2008. My experience and leadership speak for itself. I am very proud to hold this position and I would love to continue to serve the people of Kossuth County in the professional, respectful and kind way that they are used to. I was born and raised in Kossuth County. I graduated from Bishop Garrigan High School in 1990 and continued my education at Iowa Lakes Community College where I received my degree as an Office Specialist. In 1999 I married my high school sweetheart Dave Garman and together we have raised 3 wonderful children. Bryce, who is attending DMACC and will further his education next fall at UNI for Elementary Education. Wyatt, who is a sophomore in high school, enjoys the sport of football and is also a Licensed Auctioneer. Mya is in the 8th grade and enjoys playing basketball and softball. We have enjoyed raising our children here and have enjoyed giving our children the opportunity to be involved in 4-H. Dave and I were both involved in 4-H and we felt it was important to give that same opportunity to our children. Through the years our kids have shown beef but are currently showing pigs. We love our family time at shows around the State and especially the Kossuth County Fair and Iowa State Fair.
